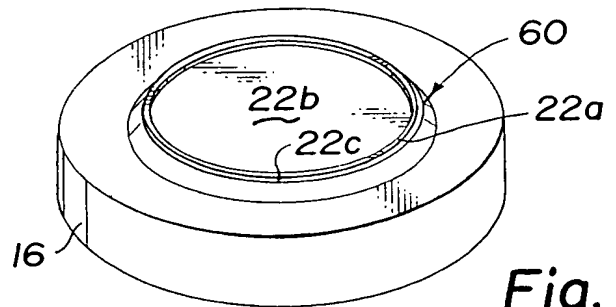

Fig. 7

Fig. 9 is a cross-sectional view of a mechanical assembly. It shows a top block (116) with a downward force  $F$  applied to its top surface. Below this is a middle block (76) which has a curved interface (158) on its top surface and a hatched region (74) on its right side. At the bottom is a base block (144) with an upward force  $F$  applied to its bottom surface.
